Our spot in activities is: I feel that there are not enough students involved at Spring. I suggest we have a club hour once a week, so that more students would become involved in some sort of school activity . . . Calvin McKinney

I have never enjoyed the activities as much as I have this year because I can participate in a different way. Now I can sit back and watch instead of play in band . . . Rhonda Rogers

I think there is enough participation and enough activities at school . . . Rhonda Cox

As a student council representative and varsity cheerleader I have many opportunities to participate in school activities. My favorite, though, is basketball . . . Susan Roberts

My favorite activity is going to a football game and sitting with my friends. I also enjoy watching the band . . . Margaret McMorris

Although I do not participate in many activities, I enjoy going to the musical put on by the drama and choir dept. . . . Mark Riddoch

I moved here from a small country town, and I think that Spring has a lot more to offer in the way of activities and classes . . . Rachel Jenkins

I like coming to the activities because it is a part of the school spirit, but it's not forced on you . . . Tim Cupples

Summer jobs often turn into winter jobs when school starts. Even though these are for part time they involve a lot of the student's time. There are several organizations at school which train the student and provide them with jobs in this area. Health Occupations and Vocational Office Education are two such groups. For the most part though, students find jobs on their own.

Our spot in sports:

I think that we have a lot of problems because we have been losing, but when we get it together the team will have everything worked out. The coaches discipline us and make us into one unit . . . Frank Gabel

I enjoy competing in sports because it teaches the team to compete in life. To compete in life is to stand up to the problem and keep going. I enjoy being around young people and I like their enthusiasm. Spring is going to accept the challenge of 4-A ball . . . Coach Adams

In volleyball our coaches were very patient with us, and that really showed when we went as far as regional play-offs. Our team appreciates the support received from the few devoted students . . . Robbye Langley

We need more people out at the baseball games and then I know we would win; you can bank on that . . . Bobby Morris

In track I don't always put out my total effort because I need to keep my grades up also. The coaches help us a lot, but I think we need more individual attention . . . Brenda Branch

Tennis is very important to me, and I feel that the only reason we did so well this year was because of our coach . . . Carla Moore

All I like to do is play basketball. We really don't get enough credit, but if we had more support we would have greater victories . . . David Graff

Lions Experience Growing Pains

Lion coaches: Ron Adams, Phelen Allee, John Notaro, Alex Jordon, Coach Vokel.

Spring Defeats A&M Consolidated In Non-District Play

The Lions earned their first victory in the last pre-district game against A&M Consolidated, 14-6.

Spring's first touchdown was set up by a short punt on the Tiger's 32. The Lions drove down to the Tiger's 1 yard line where Bob Morris plunged in for a touchdown. The second touchdown was compliments of Paul Roddy. His 16 yard run started on A&M's 35 in the third period. Spring held A&M in the fourth quarter for their first victory of the season.

The Spring Lions were defeated 19-0 by the Stratford Spartans in their season opener, September 6. The Spartans QB wound up the evening's score with 1:45 left to play. They kicked the extra point for the final 19-0 tally.

Spring suffered its second defeat to the Pearland Oilers by a score of 22-0. Lion's QB Bob Morris engineered 48 yards rushing and 56 yards passing.

The Spring Lions played a tough game against Strake Jesuit for a 29-21 loss. The Lions first score came on a 24 yard run by QB Paul Roddy.

In the fourth game of the season neither Spring nor Alief could make a touchdown through the entire game, but the Bears had the advantage in the final quarter to make a field goal for a 3-0 victory.

Spring Loses District Opener 19-6

Spring loses district opener to Humble 19-6. The Wildcats scored first on their 2nd possession of the evening when the Lions kicked only a five yard punt to their 14 yard line. There, the Wildcats took over and Mike Mosley threw his first pass of the night to Keith Poe who grabbed it in the end zone for a 6-0 lead.

Spring then fumbled on their 25 yard line. At this point Mosley threw to Poe again for a 19 yard gain. Craig McLain took it in from the six for a 12-0 advantage. Later in the second quarter Humble drove 57 yards where Mosley threw his third straight pass completion of the night, an 18 yard pass to Bobby Shelby in the end zone. This was Humble's last score giving Humble a 19-0 lead in the 1st half.

In the second half the Lions scored, when Mike Thomas intercepted a lateral and ran 55 yards for the Lions only score of the evening. After Spring's score neither team could rally again.

Spring Wins Bicentennial Game 7-0

In Spring's Bicentennial game the Lions defeat Eisenhower 7-0 for their first district win. Neither Spring nor Eisenhower could hold on to the ball; Spring fumbled the ball five times to Eisenhower's nine.

Spring sparked up in the second quarter and made the only touchdown in the game with 4:32 left in the first half. The scoring play was set up by a 12-play, 67-yard drive with Bobby Morris as quarterback. The touchdown play was a 15 yard pass from Bobby Morris to Mike Wallace who was standing uncovered in the end zone. John Roveto kicked for the conversion.

Throughout the rest of the game, Spring and Eisenhower's attempts to score were unsuccessful. Spring ended up in control with a 7-0 victory.

Channelview Tops Spring 20-3

Spring was defeated in their district bout against Channelview 20-3. The Lions only score against the Falcons was made by John Roveto when he kicked a 35 yard field goal in the 3rd quarter to bring the Lions within seven points of the Falcons. Consequently, the Falcons stretched the lead in the fourth quarter by another touchdown and field goal. The Lions picked up ten first downs to the Falcons nine and stole three fumbles while the Falcons only picked up one Lion fumble.

The Falcons scored on a touchdown and a field goal in the first quarter and another touchdown and field goal in the fourth quarter. Both conversion points were successful to give the Falcons 20-3 victory.

Carver Burns Spring 19-13

Spring bombarded Carver with a 361 yard aerial attacked by Bob Morris who completed 16 for 27. Yet the Panthers stumped Morris 7 times for 56 yards in losses, and captured two interceptions.

Spring scored first in the first period when John Roveto kicked a 26 yard field goal. Roveto's kick was set up by a 13 yard screen pass down the right sideline from Morris to Lynn Honeycutt.

The Panthers came back in the second quarter after the Lions fumbled on their four. Anthony McFarland shot four yards for the score but Michael Walder missed the extra point for a 6-3 Panther lead.

Lions came from behind in the third quarter when Morris connected six out of six passes for 83 yards to take a 10-6 lead. Carver intercepted a Morris pass on the Panther 45 and rumbled down to the Lion 17 before falling down untouched. The Panthers scored on a 12 yard pass from Barry Jouber to Glenn Jackson on fourth down to take a 13-10 lead in the fourth quarter.

Spring came back with only 1:36 left with a 42 yard field goal by Roveto to tie the game 13-13, but Anthony McFarland made a tie breaking touchdown with four straight runs off of 33, 9, 1, and 2 yards. The winning touchdown came with just 29 seconds left, for a 19-13 victory.

Panthers Claw Lions 19-13

Spring fall to King 19-13 in their final district game on November 7, 1976. Spring suffered from eight turnovers, four fumbles and four interceptions, with three of the turnovers leading directly to King's touchdowns.

After Roveto's 23 yard field goal in the first period, the Lions drove 58 yards into King's territory where Paul Roddy stormed in for the final 10 yards, putting the Lions ahead 10-7.

In the fourth quarter Spring tied it up 13-13. John Roveto kicked a 30 yard field goal for the Lions. An intercepted pass and a fumble set up the first two Panther touchdowns. Late in the fourth quarter, King was capitalized by intercepting a Lion pass and returning it deep into Spring's territory. From there a 12 yard tie breaking run by Robert Thompson won the game for C. E. King 19-13 with only 47 seconds left to play.

Spring Dribbles Into Zone Playoffs

The Spring Lion basketball team had a super year and reached a climax at the 11-3A zone playoff game against Eisenhower in which they lost a very close game 67-65. The game was like a see-saw with the advantage going back and forth throughout the entire game. Spring had just defeated two of the best 3A teams in the state Carver and Eisenhower. Due to the three way tie existing between the three teams, Spring had to play Eisenhower again. Even though they lost, the Lions had a very successful season. The Student Body and Faculty are very proud of the Basketball team who ended their season with a 25-10 record and a 8-3 district record.

(A) All the Eisenhower's player can do is look on as Spring's Bill Ellison successfully reaches for the rebound. (B) BOTTOM ROW: Glen Hansen (manager), Mitch McMillan, Jay Vest, Mike Thiele, David Graff, Mick Kerr, Doug Nesmith (manager). TOP ROW: Coach Jack Worthington, Ricky Stewart, Bill Ellison, Pat Kistler, Carl Bryant, Greg Dickey, Mike Eder, Jay Counts.

Student Council Goes To Colorado

The Student Council Officers attended a summer workshop in leadership training in Colorado. During the week they spent in the Rockies they went to many discussion groups, work sessions, and lectures. Between all the learning and work the officers also had fun climbing a mountain, square-dancing, and getting to people from all over the United States. This was the second year that Spring sent its officers to the national workshop at Camp Cheley. It was considered a worthwhile and fulfilling experience by all who attended.

Our feelings being favorites:
Receiving the honor of Mr. Spring High is a great privilege. I was shocked and amazed that I won, and would not have been disappointed if I hadn't. However, I don't think David Axman got what he deserved in the favorite presentation . . . Guy Lewis

The honor of winning Miss Spring High means a lot to me. There is a special feeling in knowing that your friends think that much of you . . . Jerolyn Jones

I was really honored and did not expect to win most beautiful. It really made me happy, and I want to thank everyone . . . Robyn Bernard

It is an honor that anyone would select me as their cheerleader. I was excited yet sorry that everyone couldn't win . . . Linda McNatt

I was absent the week favorites were chosen, and didn't know anything about it until the presentation. They caught me by the ear when they called my name . . . David Ortiz

It gives you a special feeling to be chosen by judges as most handsome. I was honored at their decision . . . John Hensley

Being a new student to Spring in my Jr. year, I was especially honored to be crowned Homecoming Queen. That night was the highlight of my Senior year, and I was really flattered . . . Nancy Bain

Our spot as academic honored students:

It is a great honor to receive Valedictorian. It shows a lot of hard work put into my school years. I have other goals to concentrate on now, but this does make you feel special . . . Stephen Nitz

Being selected Salutatorian is a great accomplishment that I really did not expect. It will make me try harder to do well in college . . . David Axmann

To be chosen by the teachers as an outstanding Senior in that department is really something to be proud of . . . Donna Cochran

I was very surprised to be nominated for "Who's Who Among American High School Students" and I wish I knew who recommended me. I wonder why I am not listed in the "Who's Who Among American Movers". . . Mark Bondy

Well . . . It is a great honor and privilege to be in the top 10% of your class. I felt happy when I found out and I am sure it will help me in the future . . . Bob Tate

The fact that you are in the top 10% of your graduating class shows that you took the initiative to study. I am sure that it will help me when I begin looking for a job and when I go to college . . . Janie Schreiber

Our spot in teaching is:

English being the subject I teach is important because of communication. I am concerned with the respect — not only the respect as teacher to student, but as one human being to another . . . Mrs. Skeans

I try to get across to my students to develop self-discipline and self control. As a teacher my main function is to help the student prepare to find their spot in society . . . Mrs. Bohanon

I feel that activities are an important part of the students curriculum. Social activities provide a well-rounded view of society, and I participate in and support them. . . . Mrs. Hobson

I believe in youth, the leaders of tomorrow, and I feel it is my function to teach them what I have learned from experience . . . Mrs. Dillon

I would hope that students would become interested in physical science, for it is an important key course in forming a good background in science . . . Mrs. Gamache

I try to not only teach Spanish, but bring the language and its culture alive in the classroom . . . Miss Dekanter

I am always willing to hear and accept a students opinion. Even though I may interpet a rule differently from the way you do, I am always willing to listen . . . Mr. Woodruff

Principal's Message

To the students and faculty of Spring High School:

This past year has been one of great joy. I hope that each of you have found the way through your various school activities, to fulfill the goals and accomplishments that you se for yourself at the beginning of the school year. It has been an outstanding year for Spring High in many areas. I congratulate you for the many hours that you, the student body, have contributed to your school. I commend you, the faculty, for your work and interest and the influence you have had on these fine students.

Counselors Offer Guidance To Students

With the expansion in the number of students during the 1975-76 school year the job of counselors was even more important than ever. The counselors are busy with registration, scheduling, recording credits, transcripts, class ranks, and information about colleges and summer jobs. The counselors are a necessary aggregate to the schools functions. Even more important is the personal attention each student receives in the day to day counseling of the school year.

Basic Business Training Found In The Business Department

The Business Department prepares college bound and non-college bound students in skills of basic business training. These will help them in obtaining jobs for the future. The typing courses help students in writing term papers and business letters for future years.

Home Economics Prepares The Future Homemaker

The Homemaking Department offers students a wide variety of courses from which to choose. It also gives students experience in resolving home and family living problems. For college bound students, the experience gained in these courses will act as an asset in future college homemaking courses.

Homebound Reaches Out

The Spring Homebound Program is a service of the Spring Independent School District. It serves both elementary and high school students.

Homebound teachers administer to students who will be withheld from school for at least four weeks. These students must have doctors permission. Homebound teachers work very closely with the regular classroom teachers so that the students will have as much as possible the same normal routine as in the classroom.

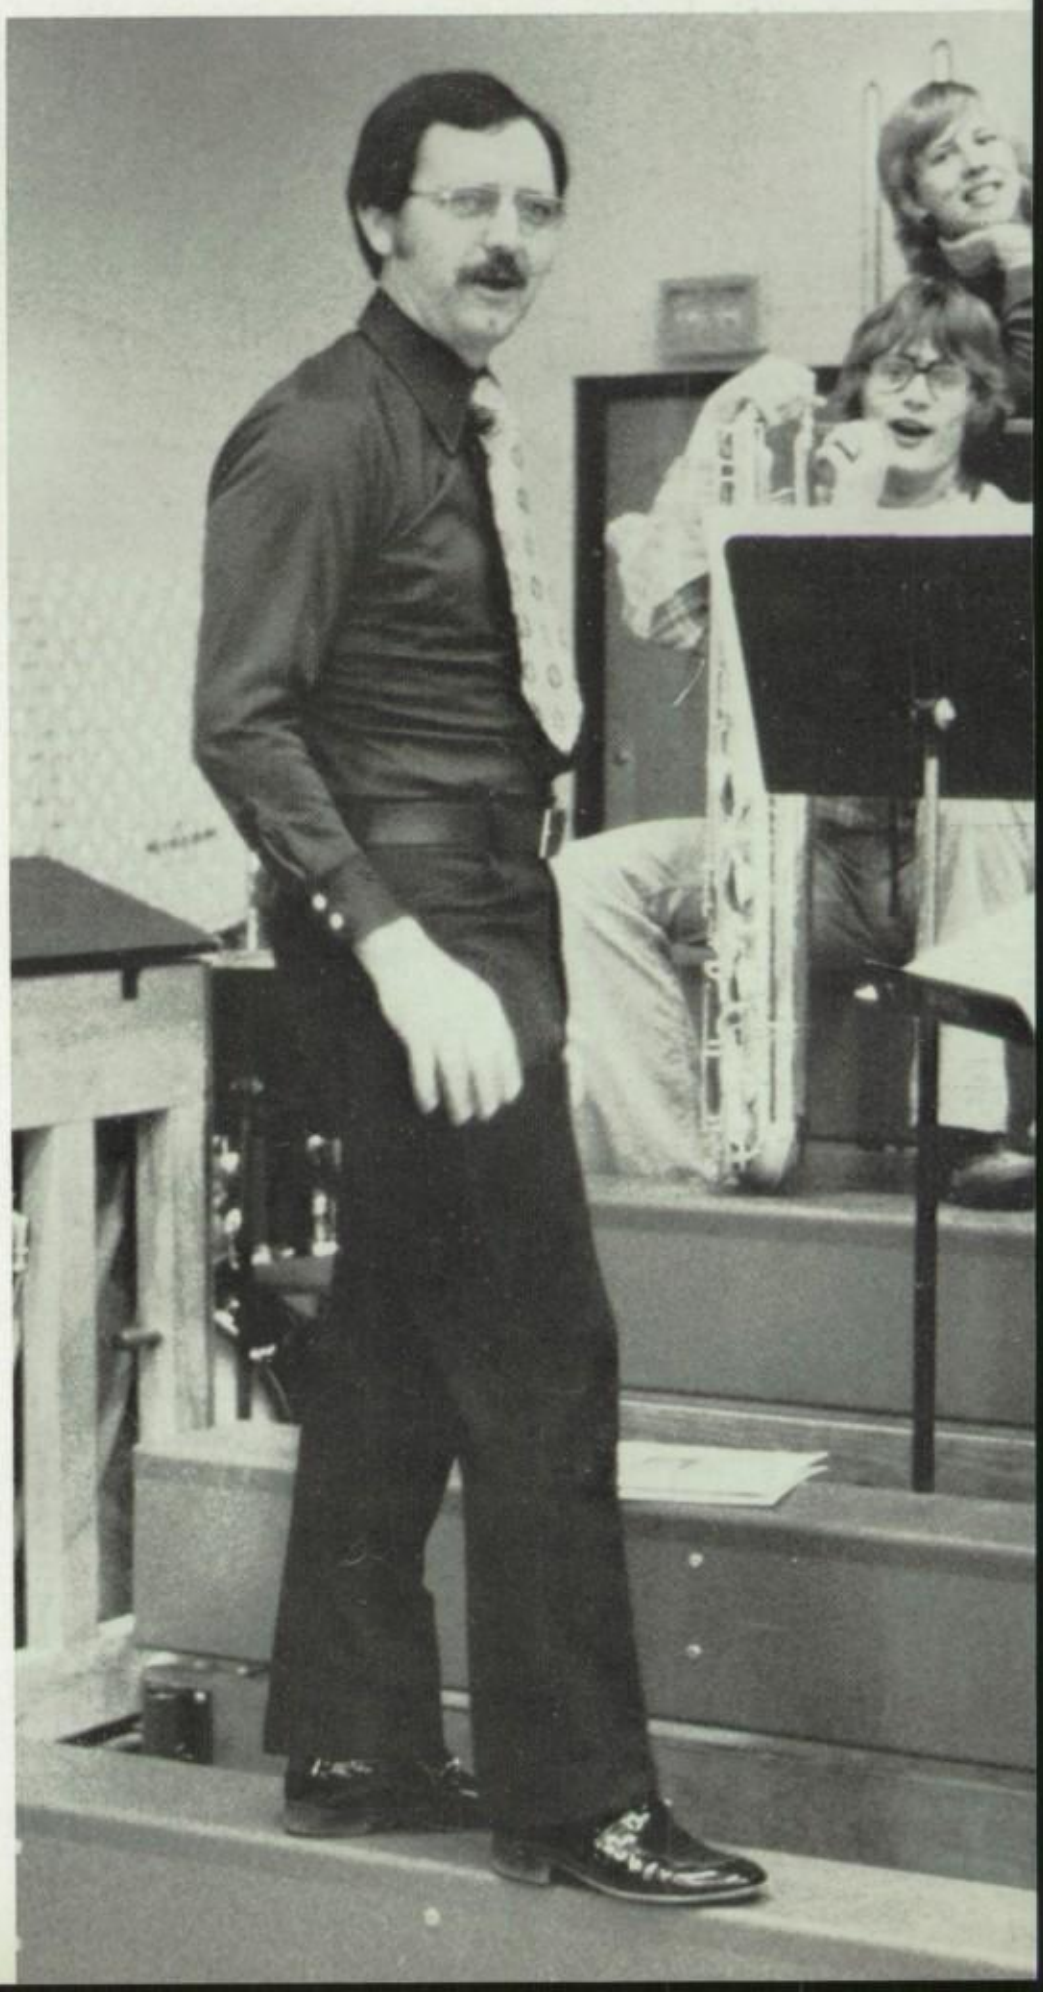
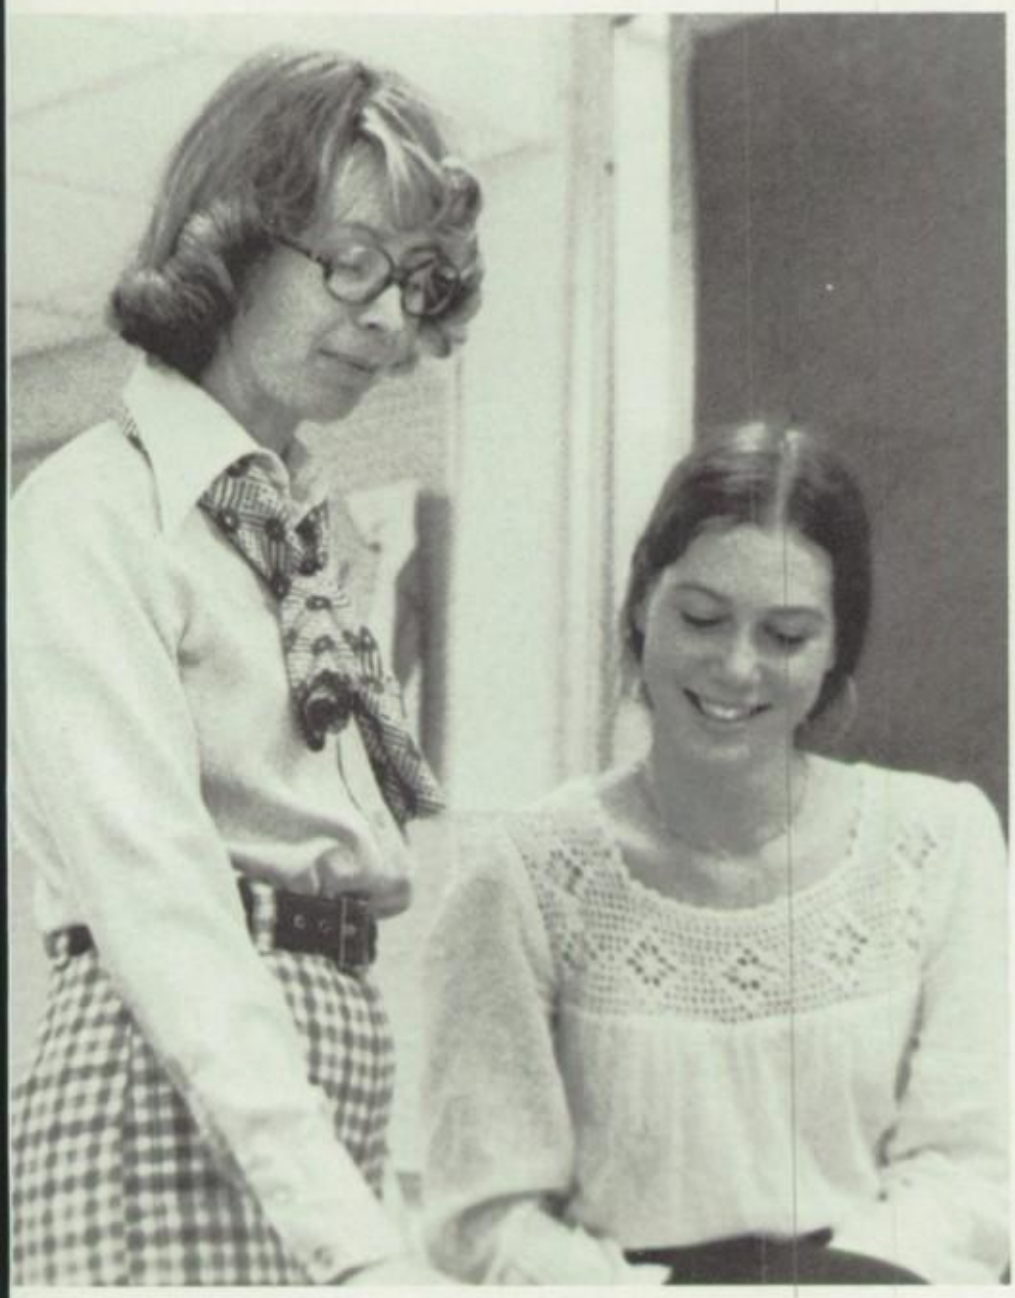
Art Takes Time And Patience

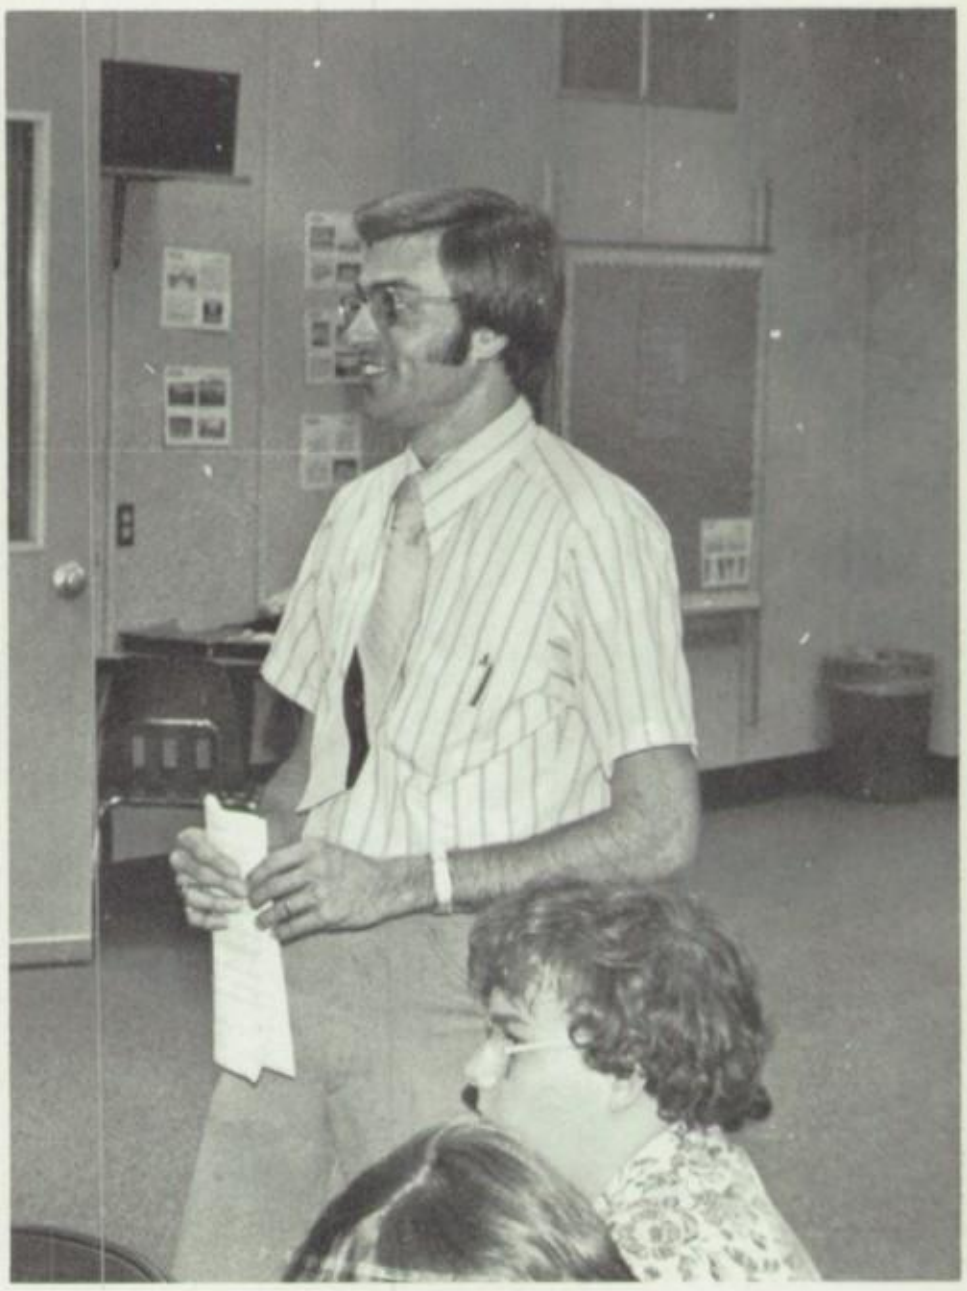
The Spring High School Band won many awards and medals this year. They received a first division at UIL Marching Contest. Band members acquired 125 medals at UIL solo and ensemble contest. The Band hosted Sightreading contest and participated in the Six Flags Concert. They also hosted the Greater North Houston Marching Festival.

Band Sets Cadence For School

The Art Department puts in a large amount of time and effort to set up and participate in art shows such as: The Spring Art Show, Houston Livestock and Radio Art Show, and Houston Post Show. Members of the Art Department also helped in adding variety to our school, with a Bicentennial mural on the cafeteria wall.







Choir Performs On T.V. 26 And 11

The Spring A Cappella Choir has been very competitive and entertaining this year. They won a first in UIL site reading and received a first place trophy. They also performed two Christmas programs on television

ESI Encourages Learning

Extensive Supplementary Instruction is provided for students that require special educational provisions. Diagnostic instructional and supportative personnel includes: homebound teachers, speech therapists, psychologists, educational diagnosticians, and teacher aides.

Physical Education Coordinates Brain And Brawn

This year, with the completion of the new swimming pool, the athletic department expanded the variety of its sports program for students. Along with football, basketball, track, volleyball, tennis, golf, baseball, and field sports, there is now a swimming and diving team. The athletic department is continuing to develop a wide and exciting program.

English Drives Toward Better Communications

The English department offers four courses: English I, English II, English III, and English IV, with electives in drama, speech, journalism, humanities, creative writing, and reading. Freshman English, offered by North Harris County Junior College, allows graduating seniors to acquire six hours of college English.

Students can apply their creative writing and art talents in the ABRAXAS, a literary magazine.

The language skills that are taught by the English teachers aid students in finding better jobs in the future.

Foreign Language Department

This year the Foreign Language Department has expanded in courses offered. Russian has now been added to the curriculum of French, German, Spanish, and Latin. There are several language contests in which students can participate. In these contests the students are classified according to their number of years experience.

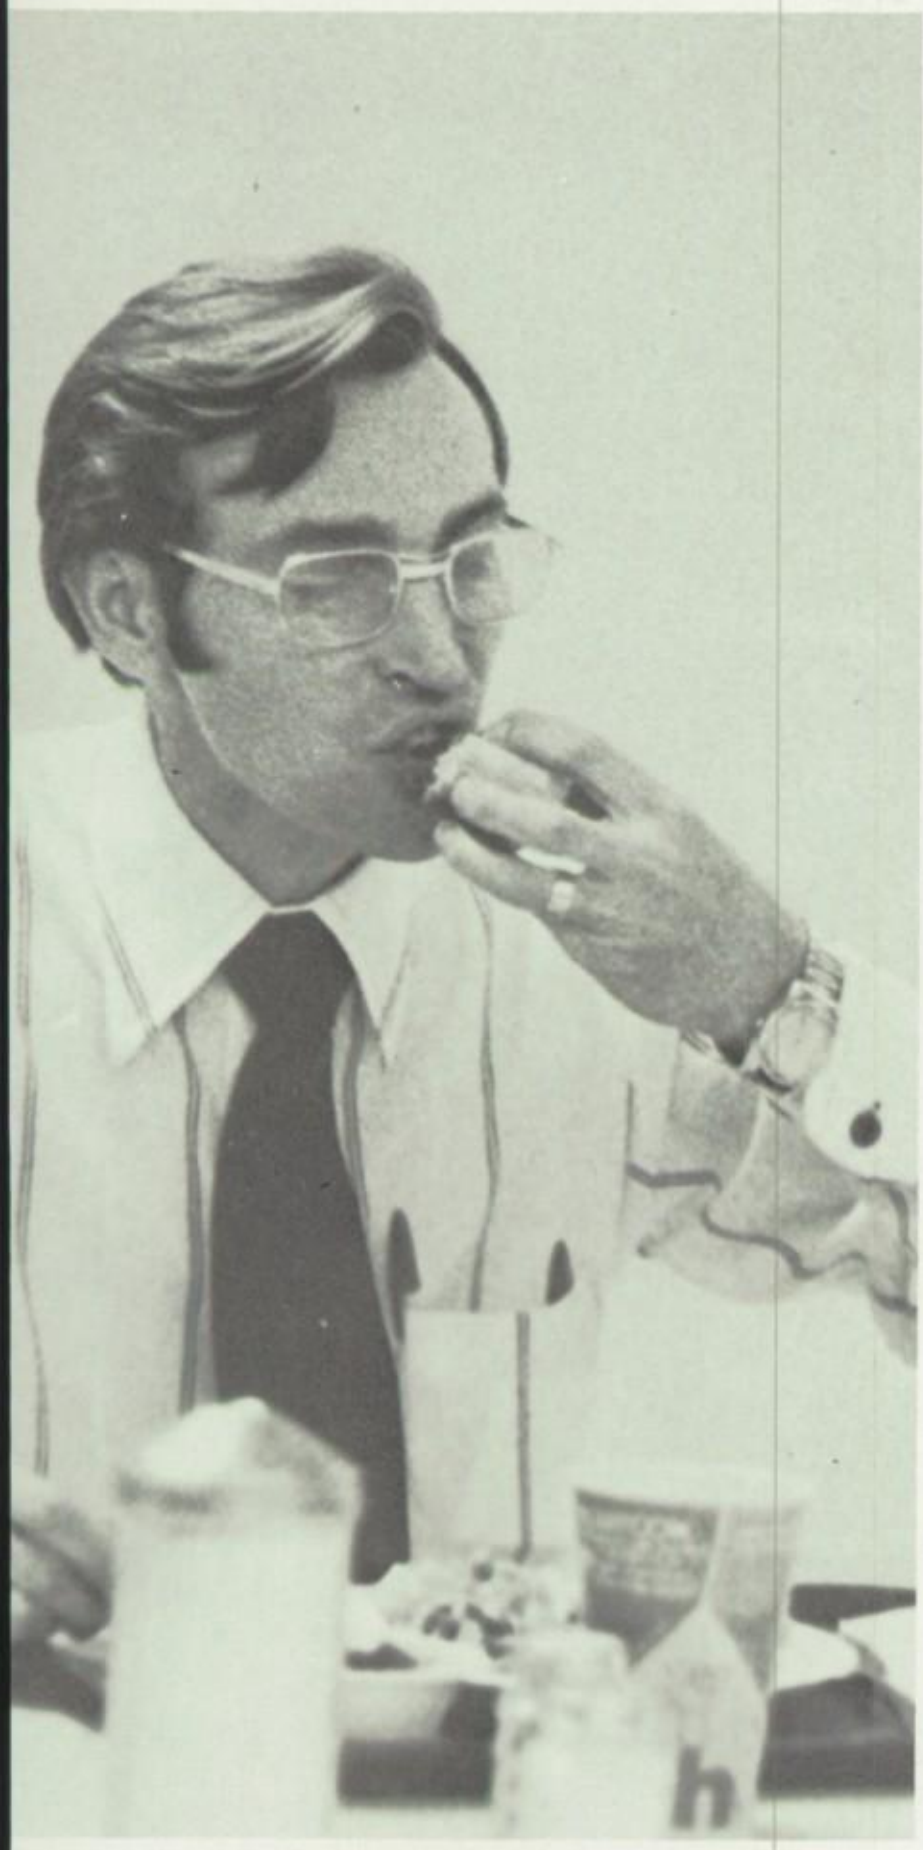
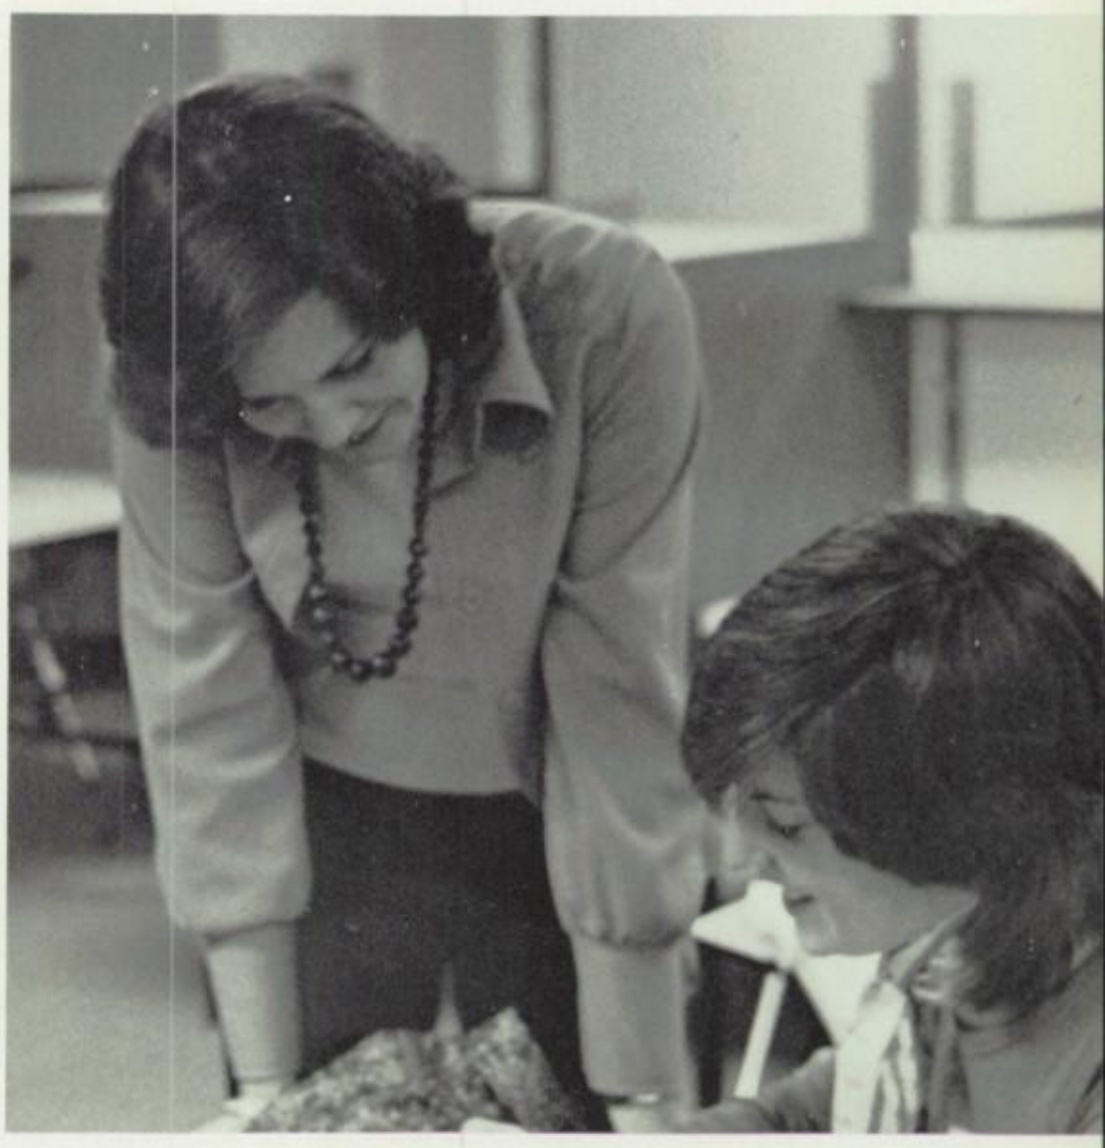
Science Expands In All Areas





The Science department is expanding its honor courses. The number of people in honors chemistry has doubled and a new honors course has been offered in physical science. The biology students have been involved in lectures by a group of medical students in the fall. The Science department held a Science Fair in the Spring which involved 200 students. Oceanography students plan to participate in the Bicentennial Science Fair at the Astrohall.

Aides, Librarians And Nurses

Teacher aides give great contributions to teachers in paper work, hall duties and detention hall. They provide teachers with a time to relax and have conference with parents. The Librarians assist students and teachers in research and aid in school projects. The library also offers students a quiet place to study. The nurse gives students medical assistance and comfort.

Message From The Superintendent

Dear Students,

Many years from now, you, your children and grandchildren will browse through this annual and chuckle at the funny styles and customs that existed way back when our nation celebrated its bicentennial anniversary. Also, you will look back with fondness on the fellow students, teachers and friends and will wonder — "whatever became of?"

This annual is a treasury of memories that will become more valuable to you each year. You may not think so at this time, but in all likelihood you will look back and think — "You know, that was about the happiest time of my life. Times are not as good as they used to be."

Your generation will face more challenges of change at an even more rapid rate of change than any other generation in history. It is my sincere desire that your ability to utilize your talents to meet these changes and function successfully in your life experiences after high school.

Joseph S. Beneke

Our spot in classes is:

The whole idea behind open concept is to let the student think more and not rely as much on the teacher . . . Greg Chitwood

Open concept has both its good and bad points. It gives the teachers a chance to make the classes more flexible, but the noise can be unbearable sometime . . . Kurt Abraham

Bookkeeping II is my favorite class. I think we have a good business dept. They are truly concerned about the students . . . Cristi Hardeman

I enjoy Geometry because it is the only hard class I do well in . . . Tami Griffith

I feel that while open concept hurts the conduct of the school that it is helping to crecte a greater overall learning experience for both the students and teachers. I enjoy Latin because, aside from the subject we talk about modern day events and conflicts concerning ourselves and the society in which we live . . . Joe Patterson

The open concept is kind of hard during test, but I do like it. I feel a part of Spring High School and think it is a friendly school with good spirit . . . Cindy Riley

CLASSES

Being a Senior at Spring is really something special. Not having to attend six classes a day . . . or any really, sheding tears at the last football game, looking for prom dresses and dates, worrying about the SAT, ACT and achievement tests, checking grades and credits, and getting away with Senior Skip Day: are all characteristics of being a Senior at Spring.

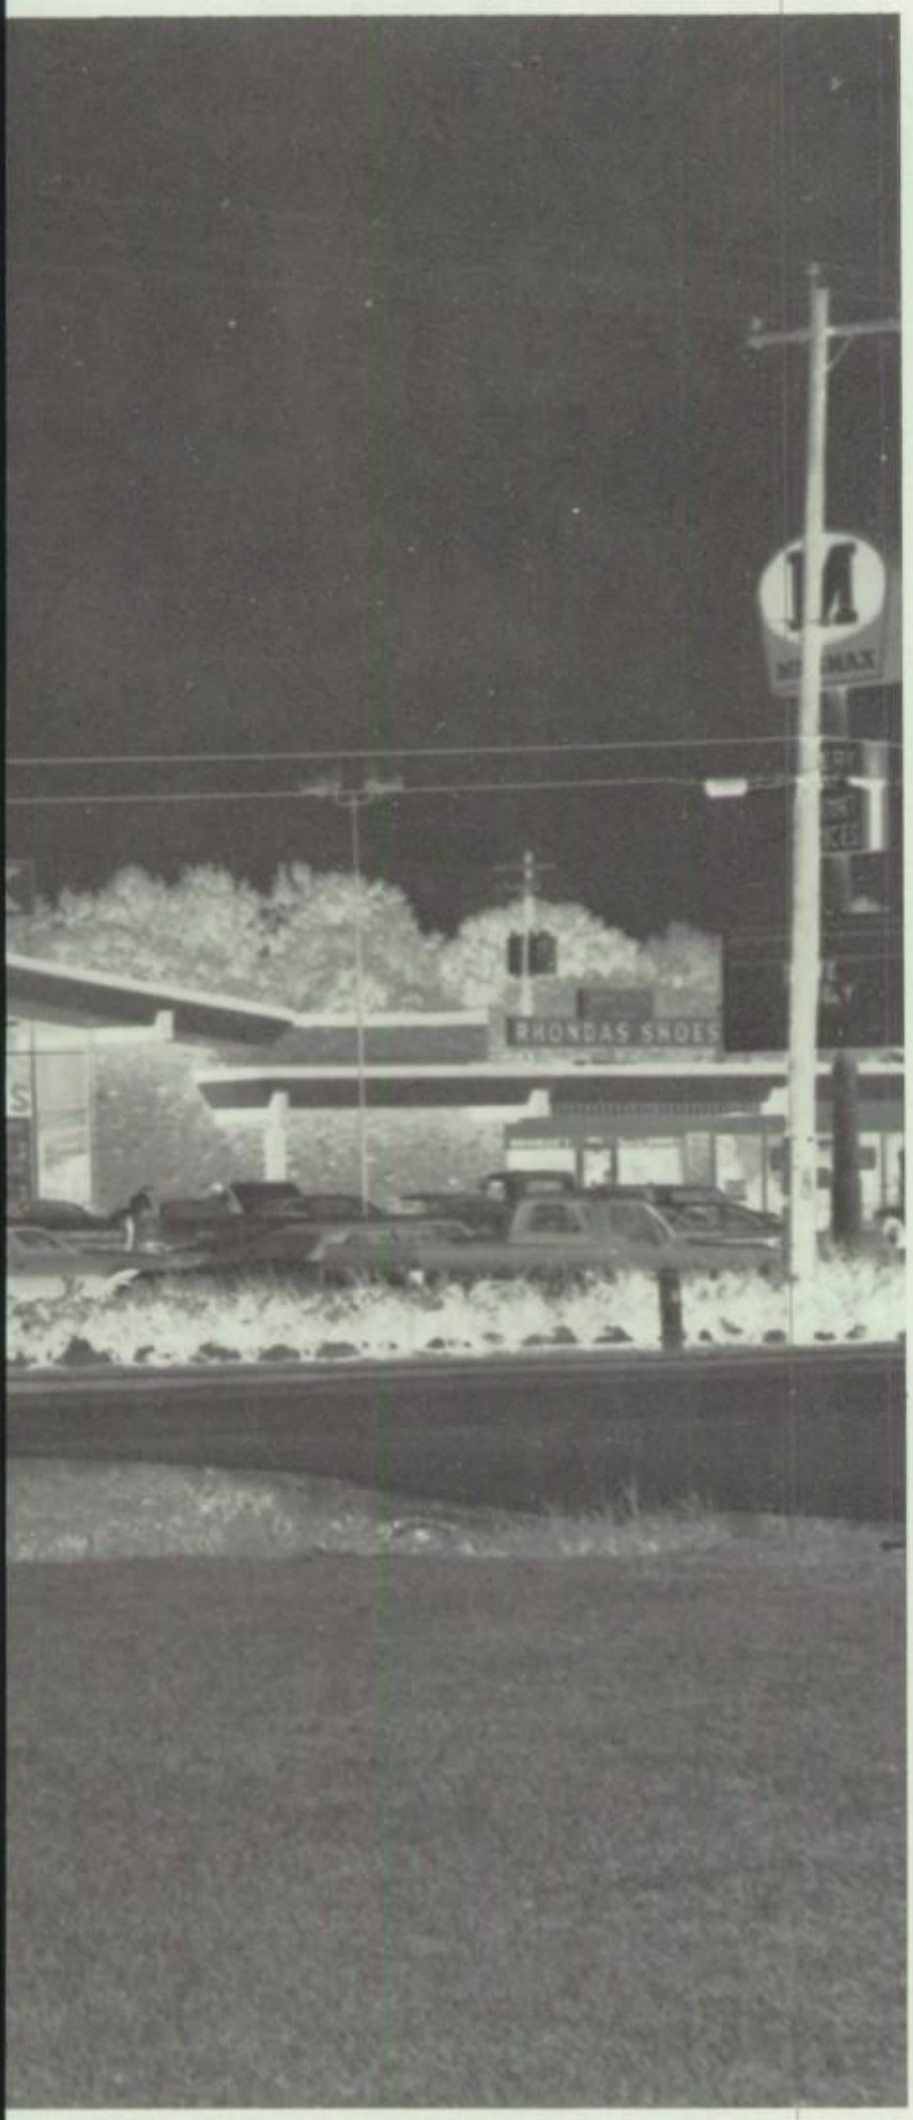
DISC NT



Our spot in advertising is:

We have a lot of Spring students who come in to buy prom dresses or dresses for other occasions. Some come in for information concerning their wedding. We try to reach the high school age or those between the age of 18 and 25 . . . Modern Bridal

More than anything else we want to do something for the students in the high schools . . . Champions Bank

We are the only camera shop in the area by Spring High School, so it is convenient for the students to get to. The students are a large part of our business . . . Camera Craft

Though advertising in the yearbook does not really get the proper circulation, we still support it because we are kind of fond of Spring High School . . . Doyles Hardware

We want to support the schools in this area. However, we do not advertise in the Klein High yearbook . . . Emmett Kelly Realty

We provide flowers for everything from proms to activities. Most of the students give us a good business, and we want to them to know that we are still here. We definitely believe that supporting Spring's yearbook with our advertisement is a big help . . . A Daisy A Day

Spring made our spot:

I feel that Spring has helped me in my athletic achievements. I hope that in leaving I will have left a place for someone else to accomplish their goals. I plan to become a coach and would like to be able to relate to my students the experiences I have had at Spring . . . Carol Ross

I have learned that to get anywhere you have to put forth effort, and this year I have not put forth much effort, and I see where I am. I plan to put out more when I go to college at A&M . . . Greg Mangum

I plan to further my education through college and become self-sufficient . . . Lisa Meyer

I gained a lot of new friends, but lost a few old friends. Basically I am happy with my Sr. year and glad to be graduating. My overall goal is to go to the Olympics . . . Danny Miller

I want happiness and not necessarily a lot of money to impress people; I'm just not like that. I want people to like me just like I am . . . Gary Odehnal

I'm just happy to get out of school; it is like a prison camp. I plan to go to college but am undecided as to what my major will be . . . Ken Sirois
